Space solutions
with style and comfort

Global Reach

The RÖDER Group is internationally renowned for its durable and versatile tent and hall systems.

RÖDER offers efficient space solutions in the fields of hospitality, vending and merchandising and sports facilities that are perfectly fitted to various situations.

RÖDER tent and hall systems are perfect both for smaller, regional events and for internationally recognized, large-scale events with ten or one hundred thousand visitors.

The perfect space

RÖDER Group now operates in Qatar with their branch company RÖDER Co. W.L.L., and we are glad to supply ready-made solutions of overlay infrastructure based on prefabricated tent and modular fast building constructions from our Qatar's stock. Also, we deliver our Roder structures and other equipment from Germany and other countries promptly.

The facilities for certain types of sports must be well built and safe.

Also, the athletes, officials and spectators need exclusive areas where they can follow the sporting action, relax or eat in a comfortable space.

RÖDER offers efficient space solutions in the fields of hospitality, safety, vending and merchandising.
